Subject: RE: Rep Meehan constituent inquiry - lead paint

Hi Stacie,

Thanks for speaking with me a few moments ago. I just got off the phone with my contact at Meehan's office and they will call me back to confirm whether or not they still need a conference call (since you already spoke to the constituent). As you guessed, the constituent is in fact an attorney from or representing Headstrong. Glad you pulled Russ in on the conversation ☺ I will be in touch once I hear back from Meehan's office.
Thanks again for the intel.

Hi Sasha

I am not sure what the issue is here -- But Kurt - as Great a guy as he is --- Is a SEE contractor and cannot represent the agency.

I am copying Kyle Chelius who iws the enforcement coordinator and Stacie Pratt who is now the section Chief. Could you

please give us allm a fuller view of what the issue is that the rep office is interested in in regard to this company.

THANKS
Mike

Subject: rep. meehan concern re. epa notice

Hey Sasha –

I hope this note finds you well. I wanted to reach out regarding the attached notice that a constituent of our received. As you may know, these constituents have been involved in a high profile legal dispute with neighbors regarding this temporary housing for cancer patients and their caregivers.

We have some serious concerns regarding the timing of this notice as well as a few questions regarding the process. Would you, Mr. Kurt Rutzmoser or anyone from Region III be free to jump on the phone with me regarding this matter?

Thank you.

Jim Gray
